Mr. G. N. Nelson  
SOHIO Petroleum Company  
Pouco 6-612  
Anchorage, Alaska 99502

Dear Mr. Nelson:

On February 5, 1981, EPA granted approval to ARCO/SOHIO to transfer approved emission increases from PSD permit PSD-X79-05 to PSD-X-80-09 and PSD-X-81-01 after showing that there would be a net benefit in terms of air quality. Under this approval, the Company has agreed to not construct certain permitted sources from PSD permit No. PSD-79-05 which will offset the emissions and impacts from the previously non-permitted sources. The February letter granting this approval, however, failed to include the changes in potential emissions from the previously non-permitted units. Therefore, this letter authorizes you to change the following PSD permits:

PSD-X80-09

On page 2 of 6, line 28, change

4615	to	4810
861	to	897
115	to	120

line 29, change 2553 to 2748  
476 to 512  
63 to 68

PSD-X81-01

On page 2 of 5, line 26, change 158 to 408  
35 to 59

line 27-28, change 2065 to 3125

line 27-28, change 386 to 584  
35 to 661  
8 to 67

line 29, change      2065 to 2479  
                             386 to 463  
                             35 to 661  
                             8 to 67

Additional public participation in accordance with the PSD regulations will not be required for this permit modification.

If you have any questions please feel free to contact Raymond Nye of my staff at (206) 442-7176.

Sincerely,

/s/ L. Edwin Coate
